tickle torture

DEVELOPER OF VISUALIZATION SOFTWARE

I have developed custom music visualization software that has been used for live performance and touring musical acts. Technologies include Max/MSP, Ableton Live, and Processing.

VJ PERFORMANCE EXPERIENCE FOR MUSIC FESTIVALS

Experienced with the industry standard software Resolume. Can demonstrate advanced techniques using additional technologies and discuss professional expectations.

INSTRUCTOR IN DESIGN AND PROGRAMMING

Currently an instructor of design and programming for visualization at USC, Art Center, and Pasadena City College.

ELECTRONIC MUSICIAN

I have twenty years experience with electronic music production including a B.S. in Music Technology and winner of a remix contest judged by Trent Reznor of Nine Inch Nails in 2010.
